Why EZ Dock?

With over 20 years in the floating dock industry, EZ Dock has become the worldwide market leader by consistently delivering products that are attractive, versatile, and low maintenance, thus improving your waterfront and making it easier to manage.

EZ Dock's floating, modular, composite docks and accessories offer advantages like no other: unbeatable adaptability, exceptional performance in rough water, superior strength and durability, virtually no upkeep, universal accessibility, and ease of installation.

Modular design that allows for virtually any design configuration

Visit www.ez-dock.com or call 1-800-654-8168 to learn more about EZ Dock products and find a dealer/distributor near you.

OFFICIAL PARTNER

EZ Dock makes a perfect platform for launching rowing shells. The unmatched stability and flotation capacity allows for even the largest 8 person crews to safely and confidently carry their shells to the dock edge for launching. Dock freeboard can be adjusted to the optimum level by adding or removing water ballast from the dock sections as needed.

Low profile and freeboard height for easy access in and out of the water
